3. APC and Refund Acknowledgement

We understand and accept the journal's **Article Processing Charges (APC)** policy: The **APC is collected in two parts**:

- **Initial Payment:** A non-refundable fee of **USD 5** for international author(s) **or INR 500** for Indian author(s), payable at the time of submission.

Note:

*The **initial payment** serves as a **processing fee** and helps ensure that only **genuine and serious authors** submit their work. Authors who are committed to publishing their research typically prepare their manuscripts carefully, following the journal's guidelines.*

This step is also necessary to discourage the submission of low-quality or AI-generated content submitted solely for the purpose of obtaining publication, without regard for scholarly standards.

- **Final Payment:** A fee of **USD 45** for international author(s) **or INR 2000** for international author(s), payable upon acceptance and before final publication.
- The **initial APC payment is non-refundable**, regardless of the outcome of the review process.
- If the manuscript is found to violate journal policies (e.g., ethical breaches, missing references, fake citations, improper formatting), it may be **rejected without refund**.

4. Author Contributions and Consent

Each author confirms that:

- They have read the final version of the manuscript.
